FRONTIERSMEN SNEAK TREASONABLE BILL THROUGH SENATE
Conservative Coalition in House Must Kill S.1215

The Constitution defines treason as giving "aid and comfort" to an enemy. Tragically, the Senate has just passed a bill which will allow the President to give foreign aid and financial comfort to Communist satellite nations.

The bill is S.1215, passed by the Senate on May 11. The "Treason Bill" is now in the House of Representatives before the Foreign Relations Committee.

Under S.1215—rushed through with no fanfare, and with the nation's "free press" splendidly cooperating in keeping the disturbing news secret from the public—the President, Secretary of State or any "administrator" picked can give your tax money to any country in the world except the USSR and Red China. The Battle Act of 1951 previously forbade this as clearly opposed to American interests.

Red Poland has in the past received special loans" from us totalling \$700 million. Poland is known to have given \$13 million to Castro as an interest-free loan. PLUS additional credits. Castro, in fact, has received at least \$245 million from the Red Bloc!

Under S.1215, Mr. Kennedy could empower any State Department misfit to dole out your tax money at his own discretion to these Commie Charnel Houses; they could either use it to ration out food to their obedient slaves or "loan" it to Castro so that he could build bigger and better rocket bases to return our foreign aid to us—with atomic interest.

THERE IS NO TIME TO LOSE. PLEASE WRITE, WIRE OR PHONE YOUR CONGRESSMAN TO KILL THE TREASON BILL, S.1215. THEN TURN THIS PAGE AND SEE HOW YOUR SENATORS VOTED. THOSE WHO VOTED OR ANNOUNCED IN FAVOR BELIEVE IN FINANCING COMMUNIST AGGRESSION WITH YOUR TAX MONEY. WHAT WILL YOU DO ABOUT IT? YOUR INFLUENCE COUNTS, USE IT!

The result was announced—yeas 43, nays 36, as follows:
